## Gypsemna signs major contract at 2007 Global Gypsum Conference in Shanghai

Gypsemna Company (L.L.C), Dubai, United Arab Emirates, signed a contract with Grenzebach BSH for a complete Gypsum Plasterboard factory, on 15th May, 2007, during the 2007 Global Gypsum Conference in Shanghai.

The plant, to be located at Industrial City of Abu Dhabi, will have an initial installed capacity of 50 million Sq Meters per year, based on a line speed of 90 Meters per minute. Thus the plant is expected to be the first high speed line for plasterboard production in the region.

The plant is one of the new projects being implemented by Mr. Jamal Al Ghurair (of Al Khaleej Sugar Company, Dubai) in the building materials sector and is expected to substitute imported plasterboard required for the booming construction industry of the United Arab Emirates and the nearby Gulf Co-operation Council countries.

The contract includes supply of roller mill calcining system and the complete production line for plasterboard with equipment incorporating latest technology. Grenzebach will deliver the plant during the second quarter, 2008.
